

PAT-A-CAKE

"Everything in one package for a perfect cake"

Saves 20 Cents!

Milk
Eggs
Flour
Butter
Sugar
Baking
Powder
Salt

PAT-A-CAKE is economical because one package makes a three-layer cake, or two loaf cakes, or eighteen cup cakes. Were you to buy the good ingredients that go in Pat-a-cake, it would cost you at least twenty cents more, because we buy in enormous quantities and mill our own fine flour. Pat-a-cake is mixed entirely by machinery and comes to you sealed airtight in sanitary packages.

Saves 20 Minutes Work!

ALL you do is mix one package of Pat-a-cake with three-fourths cup of water, place in oiled tins and bake.

You can make your favorite cake quickly with Pat-a-cake because Pat-a-cake is a perfect cake batter in flour form.

After you add water and bake it you can ice it to suit your taste—or serve it plain. Any way you serve it, Pat-a-cake is a wholesome, golden "home-made" cake.

A Complete Cake batter

PAT-A-CAKE is flour, sugar, milk, eggs, baking powder, salt, shortening and flavoring, just the same good ingredients you use in making cake the old, tedious way.

All you need do is stir together a package of Pat-a-cake and three-fourths cup of water, pour into oiled tins and bake.

You can't make a poor cake!

BECAUSE every ingredient is the very best it is possible to buy and all are carefully measured and accurately proportioned so that a package of Pat-a-cake always makes a golden "home-made" cake.

You can have layer cake, loaf cake, cup cakes, in fact, your favorite cake ready for the oven in a minute, because Pat-a-cake is a perfect cake batter in flour form—you can serve it the way you like best.
